

March 20, 2020

Dear Resident and Family Members,

Thank you for your continued cooperation and support as we continue to navigate through this time. We do not have any confirmed cases of COVID-19 currently in our community and we are making every effort to keep residents and staff at Friendship Village healthy.

Visitors are prohibited until further notice

At this time, we are asking residents to 'Shelter in Place'. This means do not leave your apartment unless necessary. If you need to leave your apartment, keep a 'social distance' away from others (6 feet). Take turns riding elevators and only one person should check their mail at a time.

Don't gather on your own, even in small groups
Transportation for medical-related appointments will continue
All dining venues, fitness center and beauty shops are closed

Necessary items can be delivered to you by our Friendship Village staff. Visitors should come through the AMITA entrance near the Apple pavilion. Items should be labeled with your name and apartment number.

Pharmacies will continue to deliver to our community. We will call and deliver your prescriptions to you.

Use sanitizer when you are not near a sink,
otherwise, wash your hands often.

Avoid touching your face, eyes, nose or mouth.
Cover your sneeze and cough.

We understand these protective measures are difficult. Thank you for your cooperation and understanding in helping to keep our community healthy.
